INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Center for Communication and Development/KMOJ Radio

We have audited the accompanying financial statements of Center for Communication and Development (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

Uncertainties exist surrounding the completeness of the liabilities because of lack of controls over payroll reporting. We were unable to determine whether the liabilities included as of December 31, 2015, include all amounts owed at that time. Consequently, we were unable to determine whether any adjustments to the liabilities were necessary.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of Center for Communication and Development as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

(Gogers PC

We have previously audited the Center for Communication and Development's 2014 financial statements, and our report dated May 29, 2015, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Organization

Center for Communication and Development (KMOJ Radio) is a nonprofit organization that was formed in 1976 to provide broadcast communications training and serve as an information and communications vehicle for the Twin Cities African American community. The organization works to improve the quality of life and provide positive experiences for community residents, through entertainment, public service announcements, and forums for discussing issues that affect their lives.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board. The Organization is required to report information regarding its financial position and activities according to the following three classes of net assets:

<u>Unrestricted</u> – Net assets that are neither permanently nor temporarily restricted by donor-imposed stipulations. These net assets include both board designated and undesignated amounts. Furniture and equipment are reported as unrestricted net assets.

<u>Temporarily Restricted</u> — The part of net assets of the Organization resulting from contributions and other inflows of assets whose use is limited by donor-imposed stipulations that are satisfied by passage of time or can be fulfilled and removed by actions pursuant to those stipulations.

<u>Permanently Restricted</u> – The part of net assets of the Organization resulting from contributions and other inflows of assets whose use is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions pursuant to those stipulations. The Center had no permanently restricted net assets at December 31, 2015 and 2014.

Cash and Cash Equivalents

For purposes of the statement of cash flows, Center for Communication and Development considers all cash and money market accounts to be cash and cash equivalents.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Receivables

The receivables balance represents the amount considered collectible at year-end. All balances were considered collectible at year-end; therefore, no allowance for doubtful accounts has been established.

Property and Equipment

Property and equipment is recorded at cost less accumulated depreciation. All major expenditures for furniture and equipment are capitalized at cost. Contributed furniture and equipment is recorded at fair market value at date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

Contributions

Center for Communication and Development reports gifts of cash and other assets as restricted support if they are pledged or received with donor stipulations that limit the use of the donation. When a donor restriction expires, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted contributions.

Donated stock is sold immediately upon receipt.

Functional Allocation of Expenses

Salaries and related expenses are allocated based on job descriptions and the best estimates of management. Expenses other than salaries and related expenses, which are not directly identifiable by program or support service, are allocated based on the best estimates of management.

Fundraising Expenses

The primary fundraising expenses are considered immaterial to the financial statements and are included in management and general expenses.

Income Tax

Center for Communication and Development has a tax-exempt status under Section 501(c)(3) of the Internal Revenue Code. It has been classified as an organization that is not a private foundation under Section 509(a)(1) of the Internal Revenue Code, and charitable contributions by donors are tax-deductible.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
